

Alternative Structured Learning Days Specialist Schedule

Dear Families,

Happy Snow Day! In the event that the superintendent has determined a snow day to be an Alternative Structured Learning (ASL) Day, your child will need to complete an assignment for the special they will miss on that particular day. Below is a schedule with the days of your child's specials. Attached are copies of activities from each of the specialist teachers. Please choose the activity that corresponds to the special your child will be missing during the ASL Day.

Sra. Cardmaone Specialist Schedule

- Monday: Art
- Tuesday: Gym
- Wednesday: Music
- Thursday: Gym
- Friday: Library

Your child will need to bring this activity along with the classroom activity to school within five school days.

Thank you,
Sra. Cardamone
